

Fansite Kit Terms

By using the materials contained in the LittleBigPlanet fansite kit ("the Fansite Materials") you agree to be bound by these terms.

All rights in the Fansite Materials belong to Sony Computer Entertainment Europe Limited ("SCEE"), its affiliated companies or licensors. We grant you a personal, non-exclusive, non-transferable, royalty free licence to display and use the Fansite Materials for your personal, non-commercial use on your own LittleBigPlanet fansite. If you use the Fansite Materials, you must comply with the following rules:

- You may only use the Fansite Materials to create your own LittleBigPlanet fansite.
- Any fansite that you create using the Fansite Materials must include the following notice: "This site was created under Sony Computer Entertainment Europe Limited's Fansite Kit Terms using materials from LittleBigPlanet."
- You may only use the material included in the LittleBigPlanet fansite kit. You cannot use any other logos, trademarks, characters or names owned by us or our associated companies.
- You cannot use the Fansite Materials if you make any money or gain any other commercial benefit from your fansite, for example by charging a subscription to other users, selling advertising space on the fansite or selling anything from it.
- You cannot give the Fansite Materials to anyone else or permit anyone else to use them.
- You must not alter or modify the Fansite Materials or attempt to do so, except as necessary to create your fansite.

We can withdraw your right to use the Fansite Materials at any time and for any reason in our sole discretion. This means that you will have to remove the Fansite Materials from your fansite immediately at our request. In particular, we will require you to remove the Fansite Materials if you do not follow these rules; if there is anything pornographic, obscene, racist, hateful or otherwise offensive on your fansite; if you post cheats, work-arounds, hacks or similar items for any PlayStation® products on your fansite; or if your fansite contains anything that infringes copyright or intellectual property rights, or that damages the reputation of any Sony group company, its products or services.

We do not give you any guarantees about the quality, availability or performance of the Fansite Materials or our rights in the Fansite Materials.

These terms are governed by English law.
